

Fr Richard Reid - Redemptorist

You may think **I am crazy** when you read this, but I was **six** years old when I decided that I was **going to be a priest**. That desire has never gone away! I am now a religious, a priest and a Redemptorist CSSR. I'm sure that I am among the **luckiest people** on this planet. Since 1732, the message the Redemptorists preach is simply the truth that speaks of God's love; **God's love for you personally and deeply**. It's my joy to preach this. If you see one of us that means there is a gang of us near by. **We live, play, pray and work in community**. Wherever we are, whomsoever we are with, we are witnessing always to fact that 'with the Lord there is **plentiful redemption**.' Copiosa apud eum Redemptio!
