

Sr Pauline Clark - Salesian Sister

When I realised that God was asking me to be a Sister, I realised that I

would be a **Salesian Sister**, so that I could

bring God's love to the young.

As a Salesian Sister this love is shown through Education
- both formal and informal - and especially through our relationships

with the young based on **FRIENDSHIP, SUPPORT,**

LOVE, UNDERSTANDING and

PRESENCE.

It asks us to be a **Joyful sign** of God's foreseeing love for the

young in the world today.
