Vocations*

National Office
for Vocation

Helping people hear God's call

Let us Pray...

Mary mother of our Saviour and mother of us all, You who carried the King of the Universe in your womb, carry the young people of our time in your Immaculate Heart. You who brought your Son

Jesus up with the guidance of the Holy Spirit, guide all those who are discerning their vocation, be it to be a Religious, priest or married.

You know our Lady all the struggles, doubts and obstacles they may face.

Intercede for them on their journey.

You who know the joy that brings by saying YES, teach them to say Yes to the divine call.

You who went to visit Elizabeth to share your joy and assist her, pray on behalf of the discerners that they may grow in longingness to SERVE.

AMEN
